

St Cuthbert's Primary School

Class Newsletter

Primary 1 – Term 2 2024

IDL – People Who Help Us

This term we will learn about different people who help us in and around school. We will explain what kinds of jobs people who help us have, for example, police, doctors and fire fighters.

We will also identify and visit different shops in the local area and find out what services they provide, for example, Lidl is a supermarket and provides food.

Literacy

This term we will continue to learn to read and write more initial sounds. We will then use our sound knowledge to read different words and sentences independently. Through listening to different stories, we will learn to sequence events and predict what will happen next.

We will continue to develop our talking and listening skills through weekly news time.

Numeracy

123456
78910

Primary 1 will continue to identify and write numbers to 20 this term. We will also be learning our number bonds to 10 as well as learning to add and subtract within 20.

This term we will also be learning to categorise objects using different criteria, for example, colour, shape or size.

Health & Wellbeing

Monday and Thursday will be Primary 1's P.E. days. Please ensure your child has full P.E. kit on these days.

This term we will be learning about the effects exercise has on our bodies. We will also learn about the different ways that we can stay active to keep our bodies healthy.

Technology

This term we will continue to learn how to use the camera on the iPad. This will allow us to learn to scan a QR code to access our online reading books that we can listening to.

Expressive Arts

This term primary 1 will be introduced to the primary colours and will use paint to experiment with colour mixing and create pictures. Our music and drama lessons will focus based around our preparation for the school Nativity performance.

Other Information

$$2 + 3 = \underline{\quad}$$

$$+ \quad + \quad = \underline{\quad}$$

If you would like to do work with your child at home here are some different ideas:

- Read for enjoyment: read with your child and ask them different questions about the story... who, what, where, why, when?
- Online reading books: oxfordowl.co.uk (create an account to access different books)
- Practise reading and writing new words (word list attached) please be aware your child will not have learned all words on these lists yet.
- Addition and subtraction to 20: using concrete materials to help with this can be fun. For example, using sweets or pasta.
